# MacBook Pro

MacBook Pro now comes in three sizes — 13-inch, 15-inch, and 17-inch — and it's more affordable than ever. With a starting price of just \$1199, high performance and precision design are available to everyone. The MacBook Pro features a breakthrough, long-lasting battery that delivers up to 7 hours of wireless productivity on a single charge (8 hours on the 17-inch MacBook Pro) and can be recharged up to 1000 times. With a new LED-backlit display and advanced NVIDIA graphics processors, MacBook Pro is perfect for the latest 3D games and graphics-intensive applications.
