MacBook

Introducing the completely redesigned, better-than-ever MacBook. It now features a durable unibody enclosure that slips easily into your bag or backpack. And its 13-inch LED-backlit glossy widescreen display makes your photos, videos, games, and websites come alive with vivid color. The builtin battery lasts up to 7 hours on a single charge. The new glass Multi-Touch trackpad supports two-finger scroll, right-click, and Multi-Touch gestures that let you interact with your Mac in a whole new way. With a fast 2.26GHz Intel Core 2 Duo processor, 2GB of memory, and advanced NVIDIA graphics, MacBook provides plenty of horsepower for most everything you do on a computer, from browsing the Internet to editing video to playing the latest 3D games. All for just \$999.
